## ▶ Our Customers

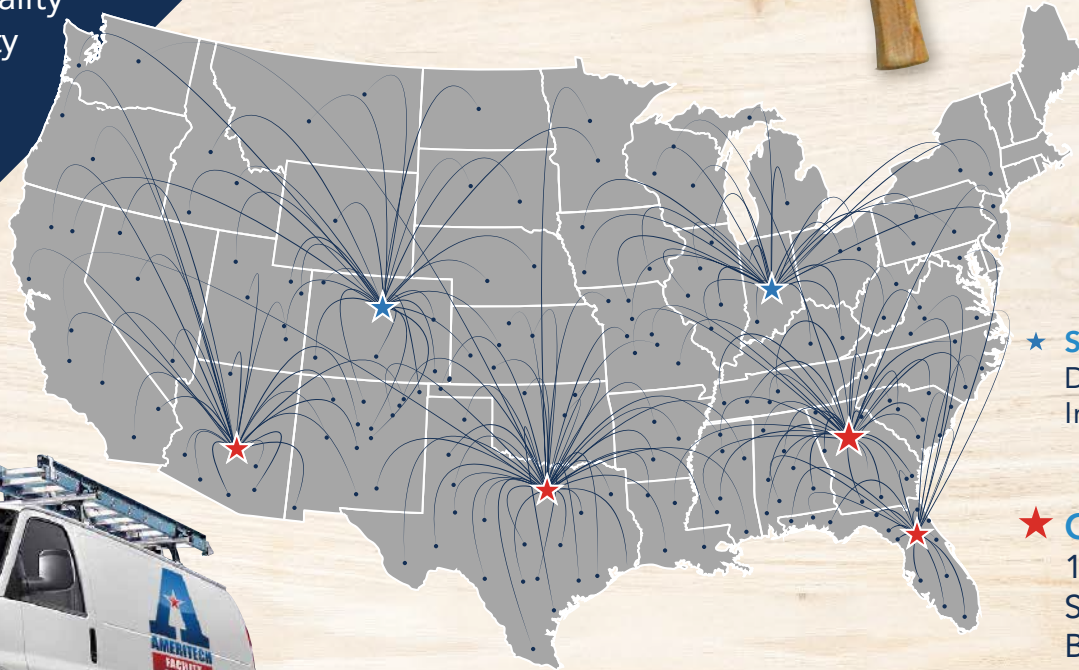

## ▶ Improve Your Capital Assets

When you partner with Ameritech's skilled professionals and refined processes, you'll be improving your capital assets with a minimal impact on daily operations. Your budgeted goals will be achieved by controlling cost and staying on schedule. Ameritech will meet all of your expectations and deliver a finished project that you will value for years to come.

## ► Nationwide Rollouts

With offices located across the country, not to mention our experienced and talented logistics team, we have the capability to roll out major projects on a national level with incredible efficiency. Whether you are upgrading kitchen equipment, rolling out new menu items, or going through an image refresh, our team will make it happen. From survey and equipment orders to install and quality control, Ameritech Facility Services can make your rollout a success.
